Areas for improvement

'Better communication'

Currently we communicate with parents via Class Dojo, newsletters and verbal communication. We will continue to use Class Dojo as our main form of communication including information about upcoming trips. If you require any information in the form of a letter or phone call, please let us know.

'Not enough work to do at home'

In KS2 children are given a termly homework menu which children from; they can complete as many activities as they like. We are hoping to launch 'Times Table Rock Stars' soon which will support children with their times tables. Children can read their reading books at home. Miss Byrom, Mrs Speare and Mrs Mayors will put together a list of activities children can complete any time and some websites which are great for learning at home.
