

Princetown Community Preschool
Ofsted No. EY501523

Princetown Community Preschool is situated in its own specially built area within the village centre and is Ofsted rated Good.

The Preschool is open Monday to Friday from 8.00 am to 3.00 pm, during the school term. This includes children from 2 - 11 years for Breakfast club.

We believe in seeing children as individuals who learn through exploration and experience with the guidance of staff and active parental participation. We employ a team of trained staff of whom we are very proud. They are committed to providing the best possible care for the children whilst preparing them to meet the challenges of school. Children are introduced to letters and sounds, writing, creativity, stories, singing and physical activity. Our staff attend regular training sessions, hold full childcare qualifications, are DBS checked and first-aid trained.

We have excellent links with Princetown Community Primary School. Many of our children go on to attend the school and our close links make the transition as easy as possible. Planning is carried out with the reception teacher to ensure the Early Years Foundation Stage is presented to the children consistently between Pre-School and School. The reception teacher regularly visits the children before they start school so that they can get to know each other and the children also spend some time in the reception class.

3/4-year-olds - Funded places are now available to all children, starting in the term following their 3rd birthday. 15 hour and 30 hour working entitlement funding can be used for any mix of sessions. Any hours over the funded hours will be charged at £4.80 an hour.

2-year-olds - Places are now available and your child can start in the term following their 2nd birthday. 15 hrs together and working entitlement funding is available if you qualify for it, otherwise the charge will be £4.80 an hour.

Breakfast clubs are all charged at £4.80/hr and are available for children up to the age of 11.
