19. Please comment on what the school does particularly well:	<p>The school I feel has done extremely well to get the children back to school and a good routine since lockdown.</p> <p>The extra teaching and support that has been provided has been invaluable. The appointment of Mrs Husband and permanent contract of Miss Byrom has been a real asset for the school giving the school a fantastic future.</p> <p>Pushes my children to reach their full potentials.</p> <p>You are helping my child with finding out what help he needs in the future.</p> <p>The staff are always very friendly and informative.</p> <p>Keeps us up to date with any information.</p> <p>Encourages my son to achieve his best.</p> <p>Pushing my child to their full potential.</p> <p>Improving my child's confidence.</p> <p>Understanding the children's needs.</p> <p>Provide a wide range of learning.</p> <p>Good in person communication,</p> <p>The answer is in how happy the children are. When both of mine are happy and keen to go to school, I'm convinced that the school is a positive, engaging place to be. Outdoor opportunities are well thought through and plentiful, giving children ample range of activity. Early identification of children that are not as far ahead as parents might want them to be is helpful, allowing focus to be placed on them, which has had positive results. Engagement with parents during the COVID period has been good, providing reassurance of safe educational environment.</p> <p>She seems happy and content. They have helped her to the best of their ability.</p> <p>Outside sports and clubs.</p>				
20. How could we improve the school?	<p>Homework for specific needs i.e. where they need practise on certain skills.</p> <p>It is fine as it is!</p> <p>Use clothes provided for out of hours activities.</p> <p>Homework or study sheets to help with areas my child needs more practise with.</p> <p>Have access to information via newsletter/on paper for those who cannot or find it hard to access online.</p> <p>I am very happy with the way Princetown Primary School is working. I'm keen to engage with the school to continue to drive forward its progress.</p>				

Thank you very much for these comments. Your feedback is really valuable to us and we will use these comments to further improve our school.

Areas for improvement

**Homework for specific needs i.e. where they need practise on certain skills**

Maths homework is based on needs for year group but we will take this on board and try to make it relevant for individual children. We are more than happy to send anything extra home – please contact me if you would like us to do this.

**Use clothes provided for out of hours activities.**

We try to get children changed for these activities but will ensure we do this every time to save school clothes getting dirty!

**Have access to information via newsletter/on paper for those who cannot or find it hard to access online.**

Please contact me if you would like things sent home on paper. We are trying to reduce how much paper we use but we are more than happy to send things on paper if required.
