11. I would attend a toddler group hosted by the school	25%	50%	25%	0
12. Please comment on what went well during the transition into school I think everything went well with the transition into school My child settled in a lot better than I expected. He is still struggling a bit with certain things some days but that's his struggles that the school support him for. My daughter knew the building and teachers before she started. She was confident when she officially started school.				

Princetown Primary School: Parent Transition Survey 2022

13. Please comment on how the transition into school could be improved
More transition days before September
For children that struggle – extra days before starting but other than that, nothing.

Thank you for completing our survey.
